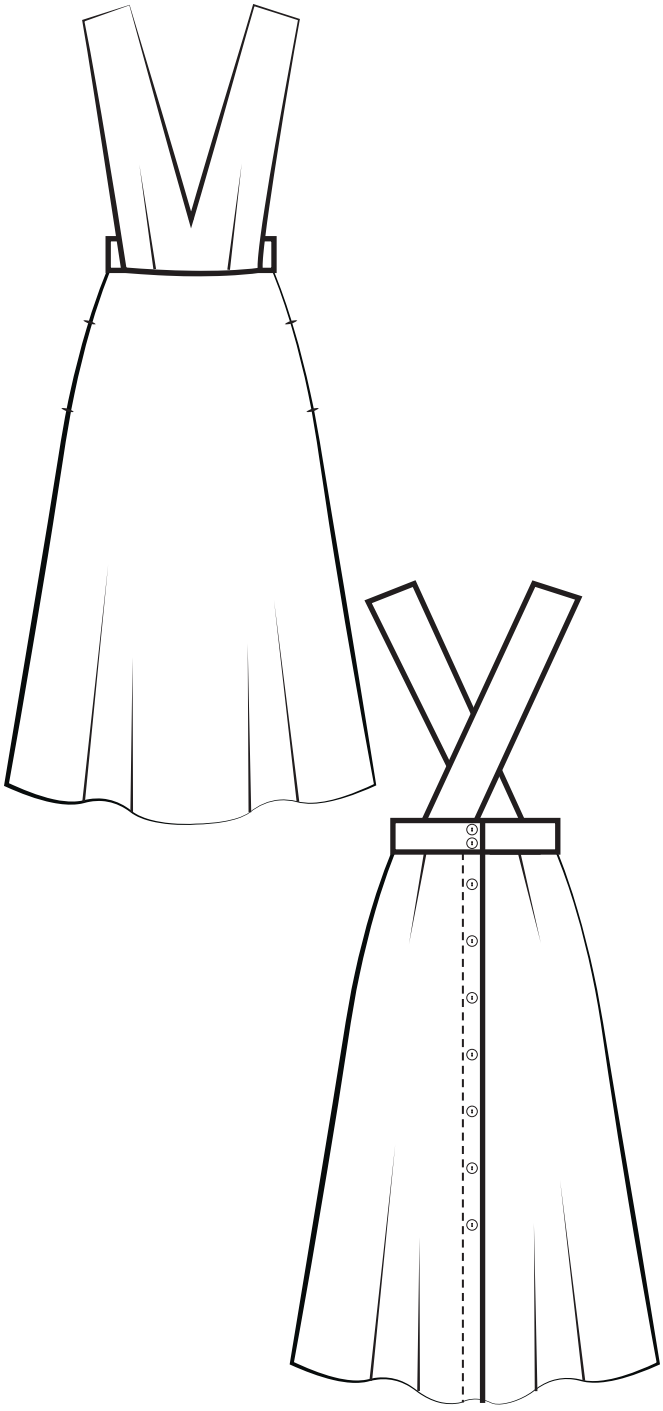
TECHNICAL INFORMATION



DESIGN FEATURES

With its relaxed shape, clean lines and low V-neck-line, this flared pinafore dress is perfect for layering over t-shirts, turtlenecks and blouses. The dress features an open back with two straps crossing and buttoning inside the waistband. It's midi-length A-line skirt has back darts for shaping, generous inseam pockets and a fully buttoned back.

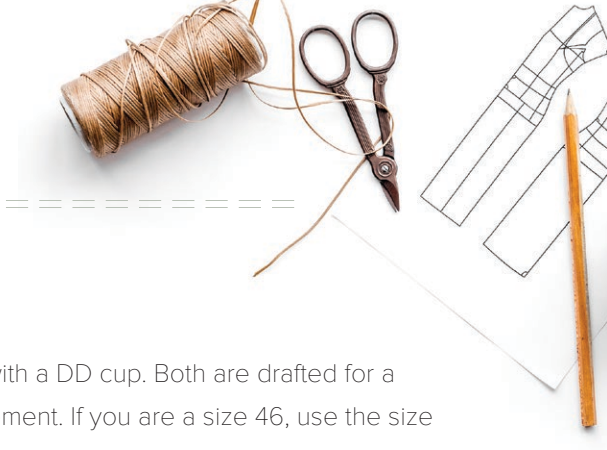
SUGGESTED FABRICS

The cover sample is made with cotton twill.

For this pattern, I recommend mid to heavy weight fabrics suitable for bottoms such as mid-weight linen, denim, twill, wool and lightweight coatings.

The bib and straps are fully lined with self fabric. If your fabric is heavy weight it is possible to choose a lighter weight fabric for the inner bib and inner straps, e.g. cotton lawn, viscose, acetate lining.

SIZING/FABRIC REQUIREMENTS



PICKING YOUR SIZE

The pattern is available in two size ranges 34-46 with a B/C cup and 46-60 with a DD cup. Both are drafted for a height of 5'5" (1.65m). Choose your size closest to your bust and hip measurement. If you are a size 46, use the size range 34-46 if you are a B/C cup, and 46-60 if you are a D cup and above.

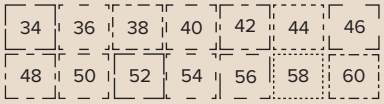
PRINTING TIPS

The pattern files are available in two printing formats for each size range: Print-at-Home (compatible with both A4 and US Letter) and A0.

Ensure that pattern files are always printed at **100% (no scaling).**

You can print the first page to ensure all settings are correct and the test rectangle is the right size before printing the rest of the pattern with the exact same settings.

Pattern pieces use the following line styles for each size.



Seam allowances are included in the pattern. Use the order of construction or detailed instructions to check the size of each seam allowance.

PRINT JUST YOUR SIZE

This pattern is compatible with the layer function of Adobe Acrobat Reader, which means print only the size(s) you need.

To use the Layers option and print only your size:

- Click the Layers icon in the navigation menu of Adobe Acrobat Reader.
- Uncheck the sizes you don't need, keep the "all sizes" and "print marks" checked.
- Print as you normally would.

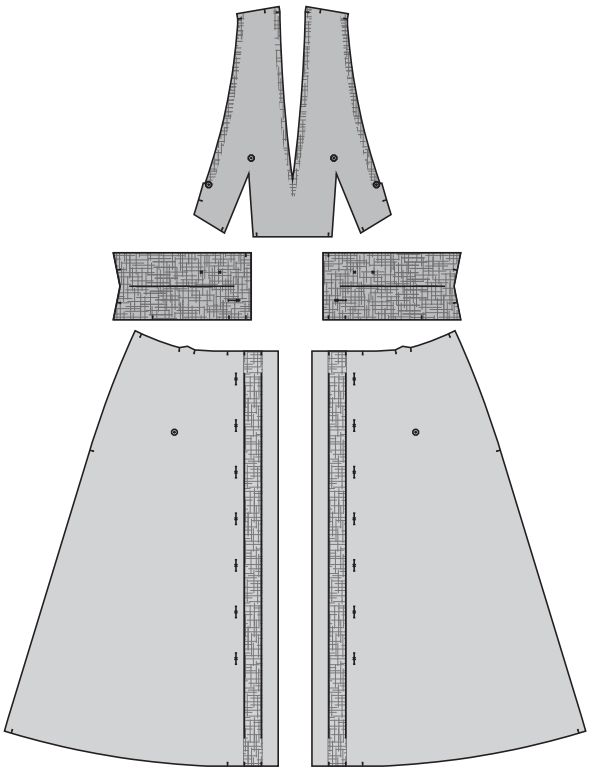
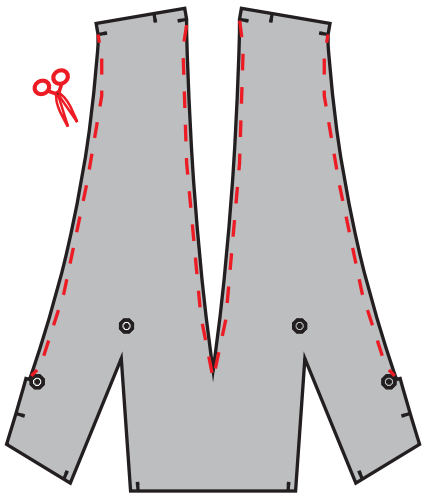
DETAILED INSTRUCTIONS

1. Fuse the waistbands, outer bib curved edges and back skirt button area, as shown.



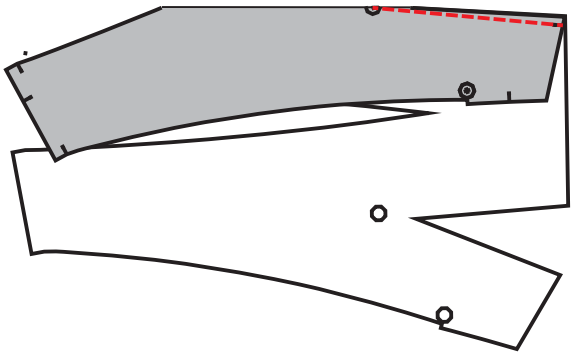
BIB

2. Trim neckline and outer edge of inner bib by 1/16" / 2mm on each side.

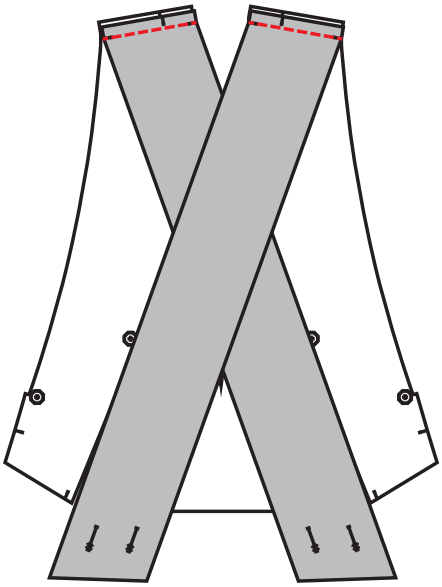


Key to fabrics in illustrations:

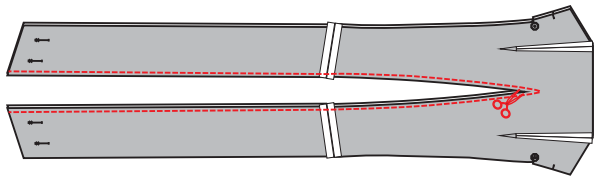
3. Stitch darts on outer bib and inner bib, starting with ¼" / 0.6cm seam allowances. Clip and press darts open.



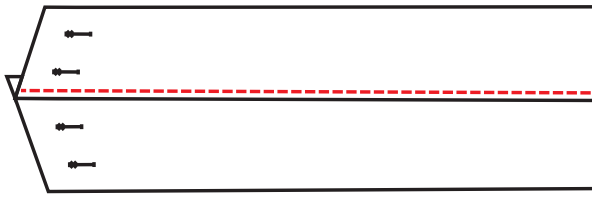
4. Stitch outer straps to outer bib and inner straps to inner bib at shoulder with ⅜" / 1cm seam allowances. Press seams open.



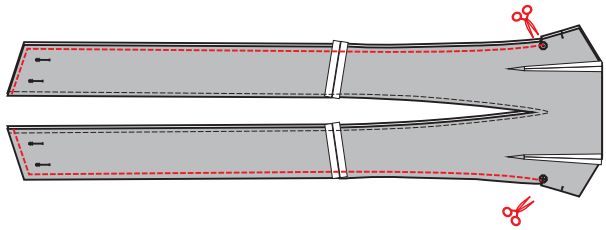
5. Place outer bib / outer straps on top of inner bib / inner straps, right sides together. Stitch layers together around inner edge (neckline) with ¼" / 0.6cm seam allowances. Clip V at centre front, stopping 1/16" / 2mm before stitching.



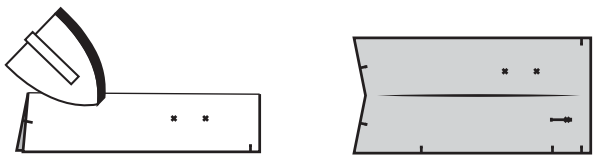
6. Fold over inner strap. Grade seam (trim inner strap and bib seam allowance in half) and under stitch (i.e. stitch close to seam catching only inner layer and seam allowances) as far as possible into V.



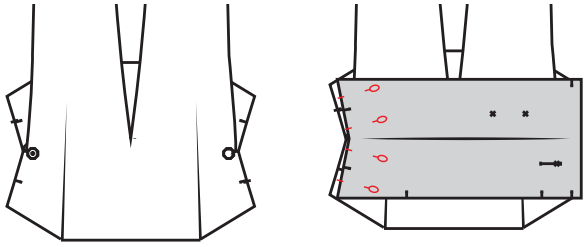
7. Stitch short edge of straps and outer edge of straps and bib together with ¼" / 0.6cm seam allowances. Stop at circle mark next to stepped edge. Clip close to stitching as shown until just before stitching. Turn bib and straps right side out and press.



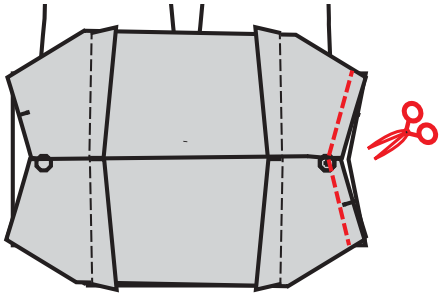
8. Press waist band in half along long edges, wrong sides together. Open back out.



9. Place bib right side facing up and fold up the inner bib (lying underneath) as shown. Pin angled edges of the right side of the waistband to the right side of the inner bib and the right side of the outer bib, matching notches.



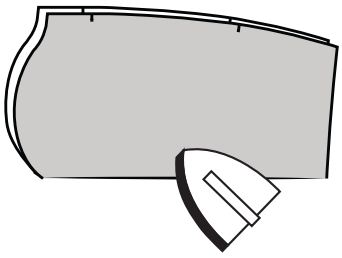
Turn work over so bibs are on top and stitch waistband to inner bib and outer bib with 3/8" / 1cm seam allowances, making sure rest of bodice is out of the way. Clip waistband as shown until just before stitching. Press seam allowances towards waistband. Repeat on other side of bib.



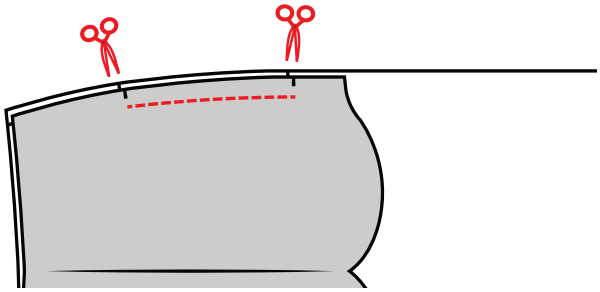
SKIRT

10. Stitch inseam pocket bag to front skirt:

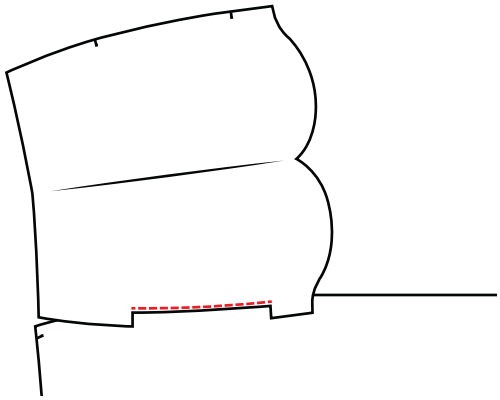
10a. Press pocket along fold line right sides together. Open back out.



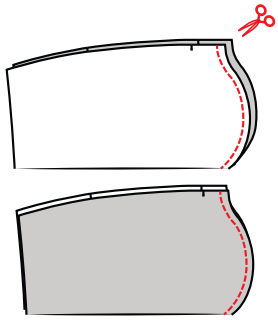
10b. Stitch pocket to front skirt between notches, right sides together with ½" / 1.2cm seam allowances. Clip into seam allowance until just before stitching.



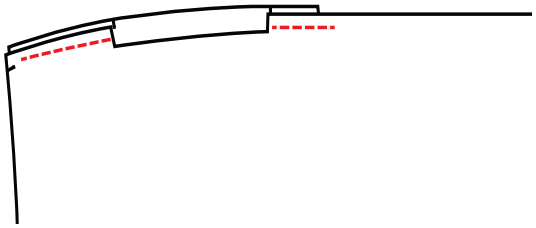
10c. Fold pocket over away from front skirt then understitch (stitch next to seam catching pocket and seam allowances) between notches.



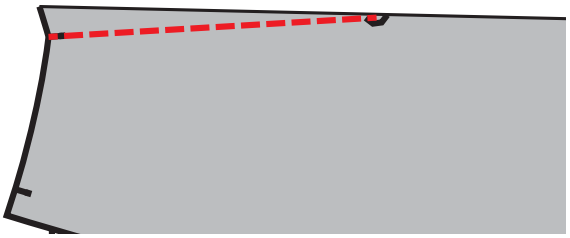
10d. Close bottom of pocket with french seams. First stitch bottom of pocket wrong sides together with ¼" / 0.6cm seam allowances and press. Trim seam allowances. Then turn out the pocket so right sides are together. Stitch again with ¼" / 0.6cm seam allowances.



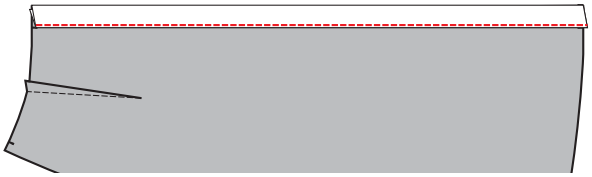
10e. Arrange pocket into final position, press and baste in place above and below pocket opening. Repeat all of step 10 for second pocket.



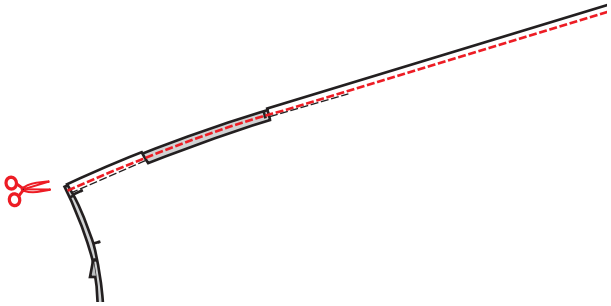
11. Stitch back skirt darts. Press towards center back.



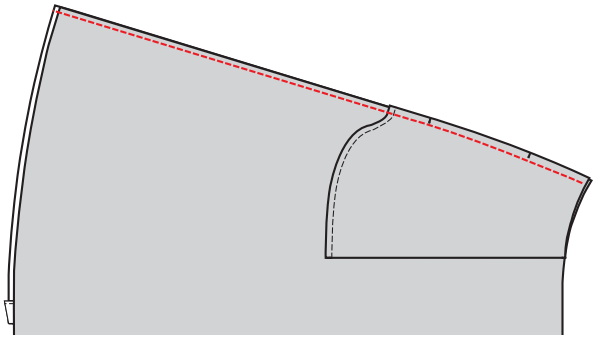
12. Fold over center back button placket twice by 1 ⅛"/3cm each time and press. Stitch close to pressed edge. Repeat for other side.



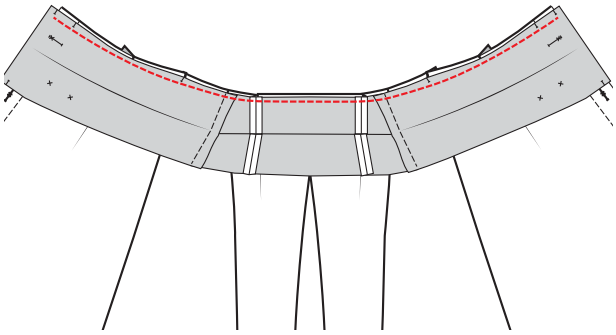
13. Stitch front skirts to back skirts with french seams. First stitch wrong sides together with ¼" / 0.6cm seam allowances and press. Trim seam allowances.



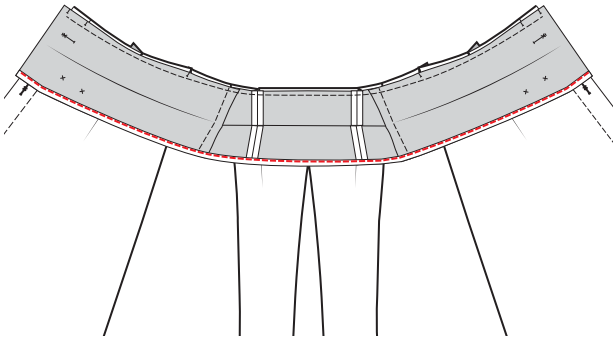
Then turn over so right sides are together. Stitch again with ¼" / 0.6cm seam allowances, without catching pocket opening. Press seam allowances towards back. Repeat for other side.



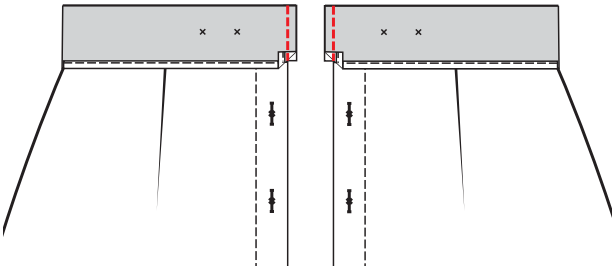
14. Stitch outer waistband (with notches) to skirt, right sides together, with ⅜" / 1cm seam allowances. Match front skirt notch to bib/waistband seam and waistband notches to skirt side seams. The waistband ends will finish 1cm over the edge of the button bands.



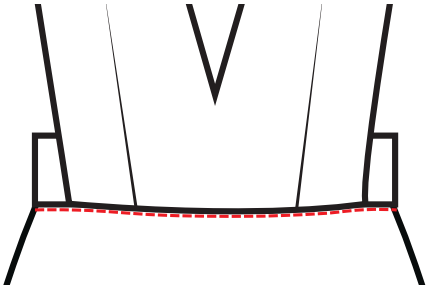
15. Stitch binding to edge of inner waistband: fold binding in two, enclose long raw edge without notches and stitch 1/16" / 1mm from binding. Edge can also be finished with an overlocker or zig zagstitch.



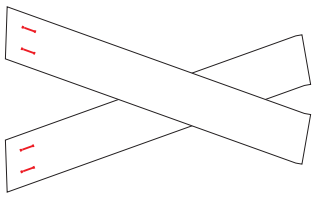
16. Fold waistband in half right sides together lengthwise. Fold bias bound corner at a 45 degree angle (as shown). Stitch short sides together with ⅜" / 1cm seam allowances.

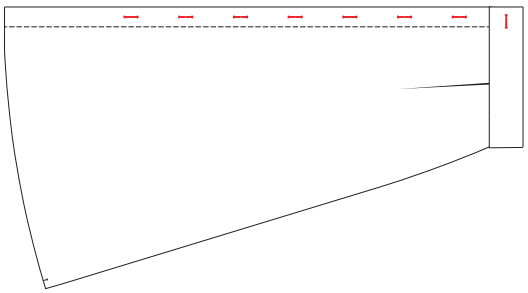


17. Fold corner of seam allowances neatly and turn waistband right side out. Stitch in the ditch from right side on waist seam to secure waistband in place.

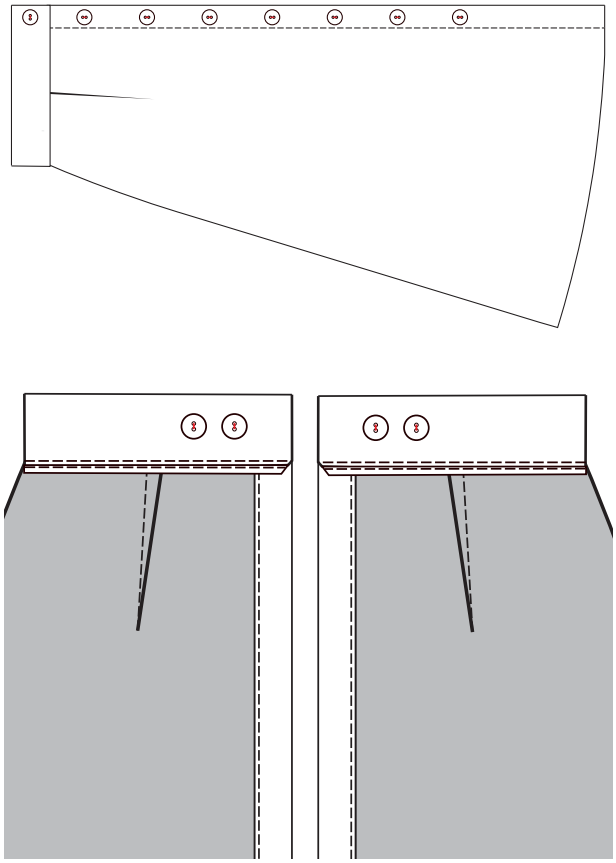


18. Adjust strap to desired length and embroider buttonholes to straps and right back skirt. Location of buttonholes are marked on the pattern.





19. Stitch buttons inside waistband so that they are not visible on right side, and on left back skirt.



20. Fold twice ½" / 1.2cm (half of hem allowance) and stitch hem.
